Re-Crew!

The innovative framework for the European small businesses to perform recruiting, get ready to market and express their full potential!

Have you ever found it challenging to execute recruiting or hiring?

Do you believe you have the necessary recruiting / hiring skills?

RE-CREW aims to offer an innovative set of digital tools addressed to SMEs, in order to execute recruiting / hiring.

Let's support small European businesses!

Let's make them prepared, aware, informed, and ready to the market!

Everything you need to know about Re-Crew!

RE-CREW is an Erasmus+ project that lasts 24 months. The project began in September 2022 and will end in August 2024. The project was created as the pandemic and other issues made it even more challenging for many business leaders to find the people, they need to run a successful small business.

The partnership

The partnership consists of 6 organisations from Denmark, Greece, Italy, Spain, Norway, and Slovenia, which are the following:
