

# rejiCrew

The innovative framework for the European SMEs to perform recruiting, to get ready to market and to express their full potential!

Let's support small European businesses!

Let's prepare them to attract, nurture, and develop the right talent!

RE-CREW enables European SMEs to effectively meet the new labour market challenges, through an innovative VET learning programme and a Digital Assessment Tool, that will address the process of hiring, well-being at the workplace, corporate social responsibility in hiring practices, and the formulation and communication of values to attract the right employees.
